(4) List out all of the media you are currently doing.

(5) If you need assistance with any of these following requirements *due to the current continued related pandemic health concerns we will not have scheduled workshops. However contact me directly via phone or email so we can discuss any questions on the requirements. My preference is a verbal contact to discuss whatever you have or do not have ready. This verbal contact can be via phone which we can schedule via email.*

Each of the following items must be in **jpg** file format. They should be of good quality with a minimum 1024 pixels on the long side. They can be squares, horizontal (landscape), and/or vertical.

- **Your Portrait – Head Shot:** Similar to perhaps you may have used on Face Book or other social media or web site. If you prefer no portrait then perhaps some type of graphic template/design you would like to fill the space provided for the portrait. *However portrait is preferred for that personal touch to your GALLERY.*
- **Minimum of 6 to a maximum of 30 photos** of your art. Providing a title, size, and media for each would be advisable.

**NOTE:** All images (jpg files) **have to be submitted** via **WeTransfer.com (free option) OR** via an usb thumb drive delivered to me via in person or US Postal Service. I am willing to assist BUT you have to make an effort to contact me before the final date and the final date is **absolute** for I have a busy schedule of holiday travel/events scheduled and will NOT be able to extend the closing date as noted above.
